It is narrated on the authority of Hazrat Abdullah (b. Umar) R.A. that when the Messenger of Allah S.A.W. was taken for the Night journey, he was taken to Sidrat-ul-Muntaha, which is situated on the sixth heaven, where terminates everything that ascends from the earth and is held there, and where terminates everything that descends from above it and is held there. (It is with reference to this that) Allah S.W.T. said: "When that which covers covered the lote-tree" (**Al-Qur'an, 53:16**). He (the narrator) said: (It was) gold moths. He (the narrator further) said: The Messenger of Allah S.A.W. was given three (things): he was given five prayers, he was given the concluding verses of Sura al-Baqara, and remission of serious sins for those among his Ummah who associate not anything with Allah. [**Sahih Muslim :: Book 1 : Hadith 329**]
